

Supply of QA/QC & HSE Professionals

FCI provides Technical & Professional manpower supply services through a dedicated and experienced team of HSE and Quality professionals. The Company provides its clients with the necessary experts and tools to help them achieve their QHSE objectives. FCI is a diverse QA/QC, Health, Safety, and Environment (QHSE) service provider in terms of supplying QHSE professionals such as:

HSE Categories

- Health and Safety Manager / Specialist/ Experts
- Environmental Manager
- Health and Safety Engineer
- Environmental Engineer
- HSE Officer
- HSE Coordinator
- HSE Supervisor
- HSE Trainers

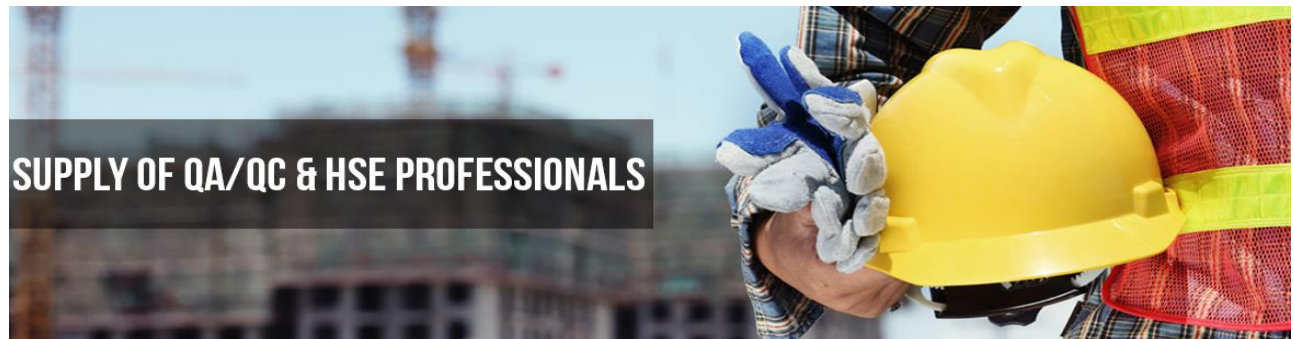

QA/QC Categories

- QA/QC Manager
- QA/QC Engineer (Civil, Mechanical, Electrical)
- QC Inspector
- QA/QC Coordinator
- QA/QC Trainers
- QA/QC Document Controllers

FCI can provide the above-mentioned QHSE categories as well as any specific categories on a short-term as well as a long-term basis, in line with the requirements of the client.

FCI operates within a challenging market environment of complex business models, where there is a drive among businesses to explore quality results and achieve measurable improvements. FCI is the agent of change and the provider of expert QHSE Professionals that businesses required in order to manage complex decision-making processes and achieve desired business outcomes.

In such a rapidly growing market economy, FCI has been able to significantly grow its client base since its establishment in 2017 and has built a reputation as a Third Party Inspection & Certification Body and Provider of Technical & Professional manpower for companies in a competitive business environment. If a company is looking for a partner to help build their capacity, competency, and resources toward excellence, FCI would be the right choice.
